Hi Martha,

Thanks for your message. I am attaching contact information for the tribes I work with here in Oregon (tribal chair and primary environmental contact(s)).

Please note that Jim Zokan (IOO) works with the Burns Paiute and the Umatilla Tribes in Oregon, so I am copying him on this email. The latest contact info I have for Burns Paiute and Umatilla is provided below (they are not on the attached list). Jim, can you please update Martha with any changes?

Charisse Soucie, Chairwoman

Burns Paiute Tribe of the Burns Paiute Indian Colony of Oregon

100 Pasigo Street

Burns, Oregon 97720

Jason Fenton, Environmental Manager, 541-573-1375, x5 **Ex. 6 - Personal Privacy**

Les Minthorn, Chairman

Confederated Tribes of Umatilla Indian Reservation

46411 Timine Way

Pendleton, Oregon 97801

Robin Harris, Water Quality Coordinator, RobinHarris@ctuir.org

Also, could you please send a copy of the draft consultation letter to Jim Zokan, John (JR) Herbst (the R10 Consultation Specialist) and me for review prior to sending it to the tribes?

Finally, I'm attaching a link to the R10 Tribal Consultation and Coordination Procedures in case you don't have a copy: <http://yosemite.epa.gov/r10/tribal.NSF/Programs/consultation>

Thanks!

Kris

Kris – I will soon be receiving the revised Nonpoint Source 319 Plan revision from ODEQ and will need to start a consultation process with Oregon Tribes. Would you have a list I could use?

Just wanted to ask if you happen to remember the person I need to talk to to get a list of Oregon Tribal contacts.
